

Amendments to the Drawings:

The attached sheet of drawings includes changes to Fig. 1. The sheet, which includes Figs. 1 and 2, replaces the original sheet including Figs. 1 and 2. In Figure 1, labels have been added to the empty boxes.

REMARKS/ARGUMENTS

All of the claims of this application have been found allowable subject to overcoming objections to informalities in claims 1 and 3. However, applicant has now cited additional prior art in an Information Disclosure Statement filed herewith.

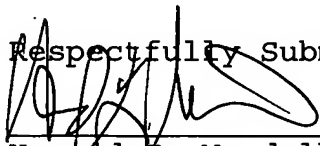

Applicant has amended claims 1 and 3 as suggested by the Examiner. Claim 1 has been further amended by including the limitations of claims 8 and 9 which have now been canceled. Claims 10 and 11 have been amended to depend from claim 1.

Accordingly, all of the claims are now believed to be in condition for allowance.

The Examiner has also objected to Fig. 1 of the drawings as lacking labels in the element boxes. Fig. 1 of the drawings has been amended to add the missing labels.

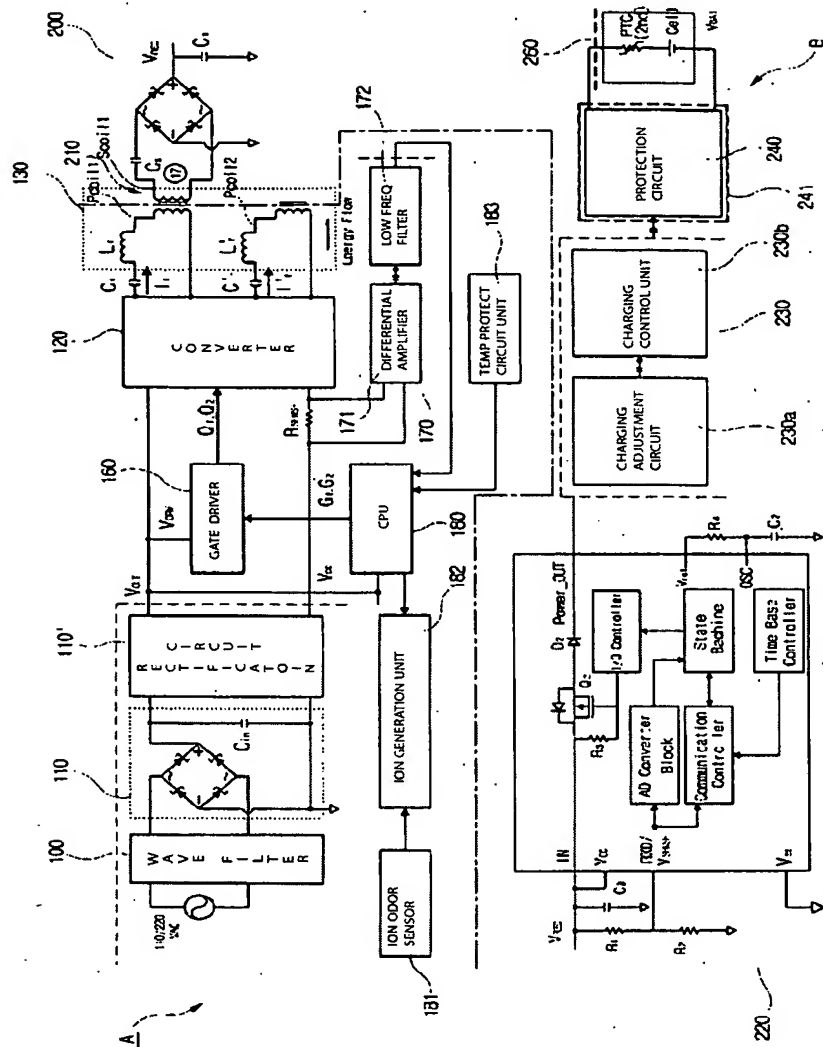

In view of the foregoing, it is respectfully submitted that the application is now in condition for allowance. Early and favorable action is earnestly solicited.

An unpaid fee required to keep this case alive may be charged to deposit account 06-0735.

Respectfully Submitted,

Howard F. Mandelbaum
